

Rogers CREST Tower from 289 Canvasback Place

**This photo was taken on June 16, 2023.
This property is approximately 37 metres from the tower site**

Rogers-CREST Tower from Access Road

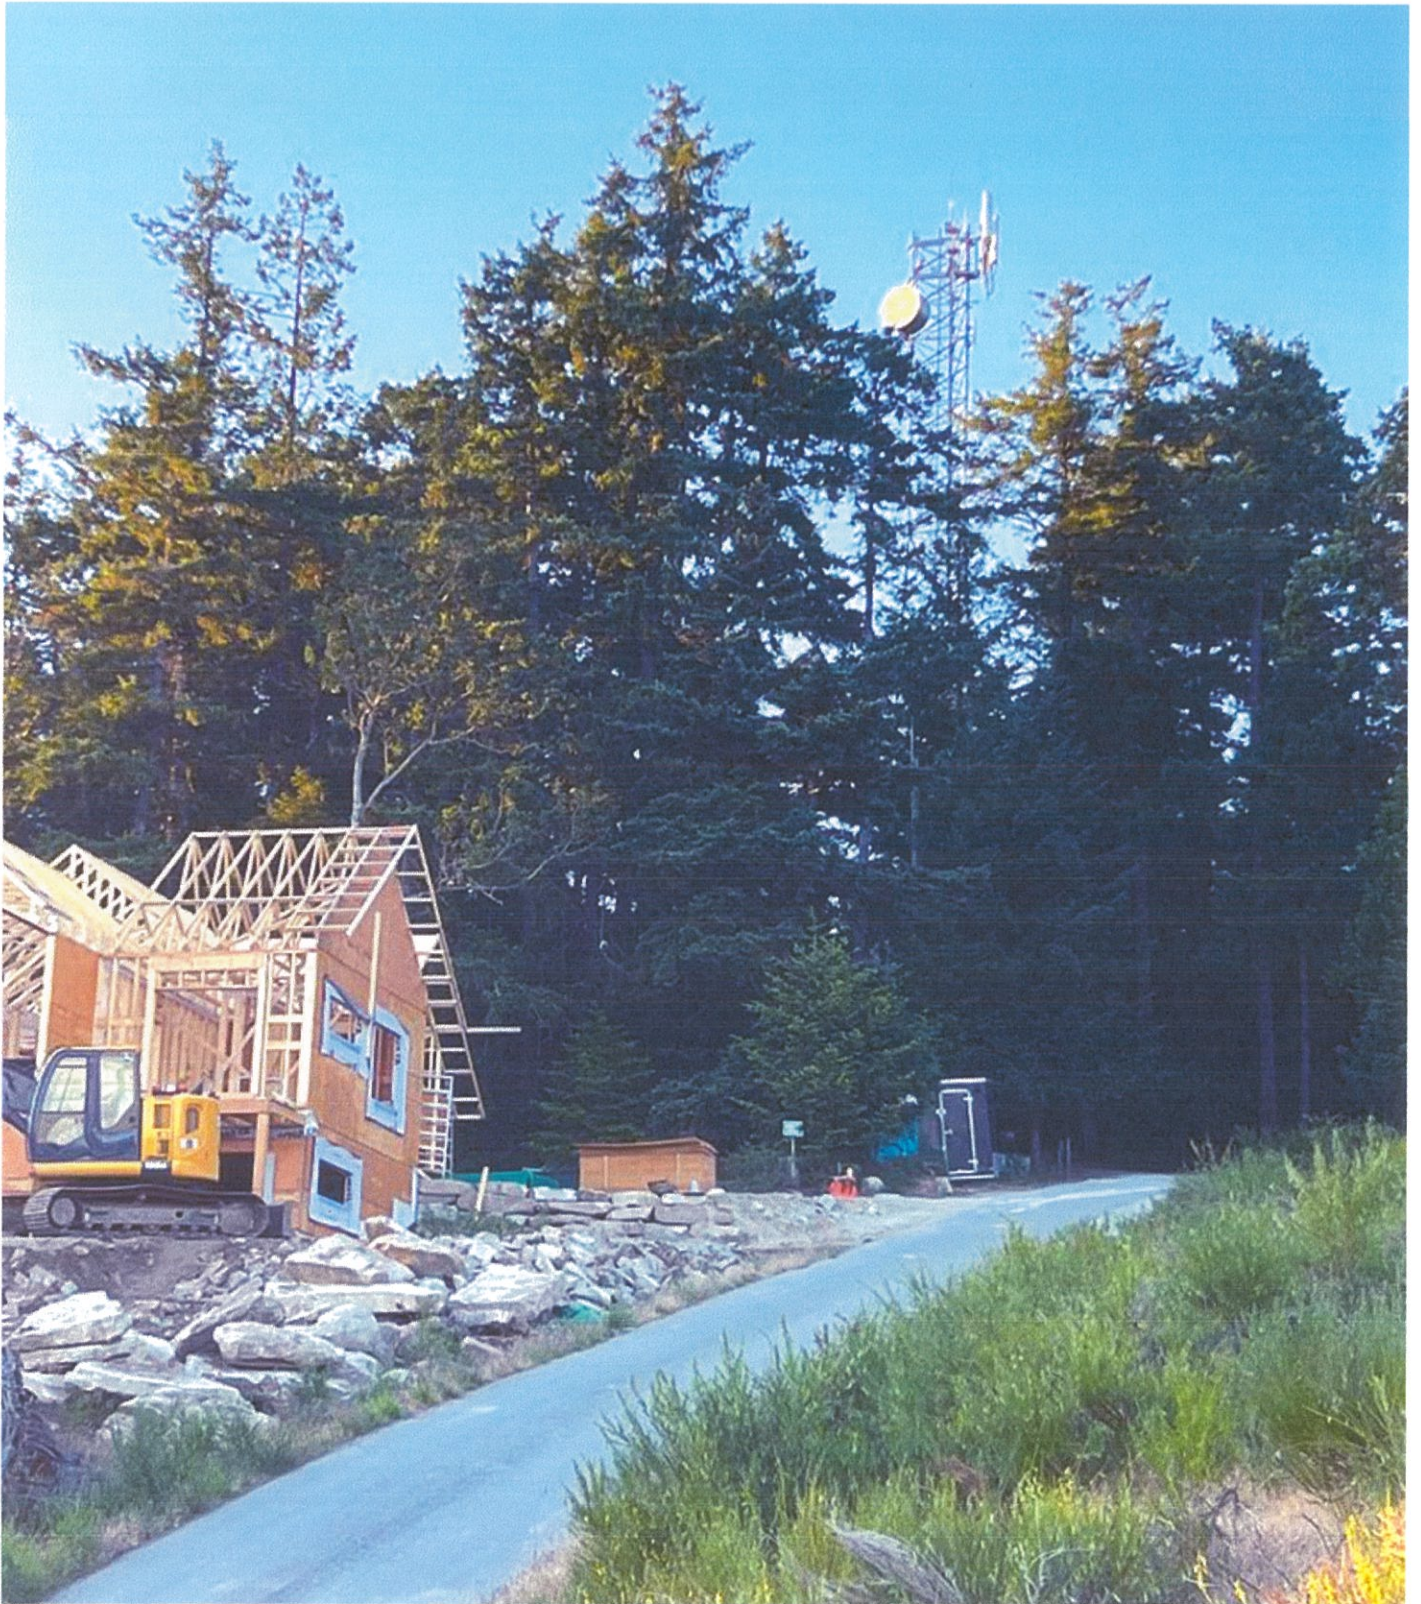

Photo was taken on June 16, 2023.

Michelle Forde & family have recently begun building their home on the lot they bought before the tower was proposed. This construction does not appear in Rogers simulated "Before and After" photo of this same road on page 3 of this Exhibit.
